Item	Description
User Interface	USB 3.0 Output Port x 4 Hub, USB 3.0 type A female (Any 1 ports support BC 1.2 charging)
Power Supply	Self-Power: 5V 2.5A
Data Rate	USB 3.0 supports up to 5Gbps
Compliance	USB 2.0 & USB 3.0 specification OS Support: -Windows® XP -Windows® Vista -Windows® 7 -Windows® 8 -Windows® 10 -Mac OS 10.6 & Above
Working Environment	Operation Temperature: 0~40 degrees Storage Temperature: -20~70 degrees
Certificate	FCC

*Specification is subject to change without notice.

FCC Statement

Notice: Federal Communications Commission (FCC) requirements, Part 15 This equipment has been tested and found to comply with the limitsfor a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used inaccordance with the instructions, may cause harmful interference to radio communications.However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Any changes of modifications not expressly approved by the grantee of this device could void the users authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

100% Quality Assured
